

# Wasatch & District Pipe Band

Established in 2004, WDPB is a competitive and performing Bagpipe Band based out of Bountiful, Utah. Wearing the MacTavish tartan, our band performs all over Northern Utah, and competes in the Western US, Canada, the United Kingdom, and the World Pipe Band Championships held in Glasgow Scotland.

As a 501-C(3) Non-Profit, we are funded primarily by our membership, but also have enjoyed great community support from businesses and individuals in our community. We are honored and appreciative of this community support, which allows us to represent the state of Utah.

With 4 active bands and more than 90 members, we are one of the largest pipe band organizations in North America. This organization requires significant funding (instruments, uniforms, rehearsal spaces, etc.) to allow us to perform in our community and in the contest ring abroad. Please review the sponsorship opportunities available and help keep our organization doing great things.
